Createspace Independent Publishing Platform, United States, 2018. Paperback. Condition: New. Language: English. Brand new Book. This is the second volume in the author's series 'ABC of Life' with his author's free-wheeling comments and off-the-cuff remarks on various matters under the sun, appearing in certain social media and other publications or just popping up in his mind, through which he could share his knowledge, reminiscences, ideas, opinions, fantasies, guidance (when sought!) and an occasional jest or two, freely and frankly -- all with a view to inform and entertain his readers, hopefully leaving them some little residue of positive value. The theme of this book, 'Bits and Pieces of Life', covers his generally serious reports and occasionally whimsical explanations of author's experiences in his 87-year old life in three lands. The cover story describes author's eighty-year old journey in photography and photo-journalism. Academics and graduate students may find his essays on research useful, and lifestyle followers may find his short and long responses to serious concerns, including his letter to grandchildren worldwide, quite worthwhile.
