

How to Succeed at the Medical Interview (Paperback)

By Chris Smith, Darryl Meeking

John Wiley & Sons Inc, United States, 2013. Paperback. Condition: New. 2nd Edition. Language: English. Brand new Book. How to Succeed at the Medical Interview provides candidates with a competitive edge. It reduces the likelihood of unexpected questions or situations and helps improve confidence before and during the medical interview. This new second edition includes updated content on changes to the structure of healthcare and how this affects both the application and interview process. It details the types of questions that will be asked at medical interviews and also provides improved guidance for overseas doctors and healthcare professionals and for those seeking to practice abroad. How to Succeed at the Medical Interview is the ideal guide for Foundation Programme trainees, Specialist Registrars and General Practitioner trainees. It is also valuable for healthcare professionals facing competitive medical interviews at any stage of their career.

Reviews

A top quality publication along with the font used was intriguing to read. I really could comprehend everything using this written e book. Its been designed in an remarkably straightforward way and it is only after i finished reading through this publication by which basically altered me, modify the way i believe.

-- Cathrine Larkin Sr.

Very useful to all of group of people. I actually have read through and so i am certain that i will planning to study yet again once again down the road. I am just very easily can get a satisfaction of looking at a created book.
